

Ninth Annual International Sea-Bean Symposium

Cocoa Beach Public Library—550 North Brevard Avenue, Cocoa Beach, Florida 32931

Open Free To The Public, October 15th & 16th, 2004

Schedule of Events*

Through the weekend: Sea-bean collections and displays, experts, sea-bean polishing, the famous Bean-O-Matic, jewelry, T-shirts, slide-shows, speakers, books, authors, international guests, and contests (including the ever popular “ODD-BEAN” contest, and the Saturday morning “BEAN-A-THON” beachcombing bonanza!)

We are pleased to announce Dr. Richard Turner, will be our keynote speaker Saturday evening (7:45pm). Richard will present a slide show about our beach’s fossil ghost crabs, which so many of us find intriguing. As you know, this was one of Cathie’s favorite beach finds; it should be an interesting evening.

Natural history writers and books will be available through the weekend. Krieger Publishing Company will be pleased to once again present *Sea-Beans from the Tropics: A Collector’s Guide to Sea-Beans and Other Tropical Drift on Atlantic Shores*, by Perry/Dennis (2003). Ed Perry will be on-hand to sign copies. Krieger will also have the reprint edition of the *World Guide to Tropical Drift Seeds and Fruits*. The ever-popular *The Little Book of Sea-Beans* will also be available, and co-author Paul Mikkelsen will be present to sign copies. Cathy Yow, author of *Jewelry from Nature* plans to be with us this year with her wonderful book, and Jim Angy, Marge Bell and Matt McQueen of StillNature Productions will be offering their beautifully illustrated digital books including some new titles. This year we will also make available for sale Cathie Katz’ beautifully written and illustrated *The Nature of Florida’s.....series*, as well as her national title.

*October is still HURRICANE SEASON in Florida, so our schedule is at the mercy of the powers beyond our control. Hurricanes are wonderful for beaning, but can be dangerous for beachwalkers. Our beachcombing activities may be cancelled because of severe weather, in which case we’ll follow evacuation procedures to the mainland. Hurricane information will be available at your hotel and at the library.

This year's design is by our beloved Cathie Katz and features a mix of her beach artwork illustrating one of my favorite Cathie-quotes and the theme of this year's Symposium—"The more you look, the more you see."

From fossil crabs, messages in bottles, spirula shells, by-the-wind sailors to yellow duckies, blue buttons, seahearts and nickars, our beaches truly are a beachcomber's paradise. We are blessed to live in such a wonderful part of this big world, and Cathie's design emphasizes our local, as well as other, ocean beaches.
