

SEA BEAN COLORING PAGE

Color the **TROPICAL ALMOND** a **TAN** color. It is a tall tree with big leaves good for shade!

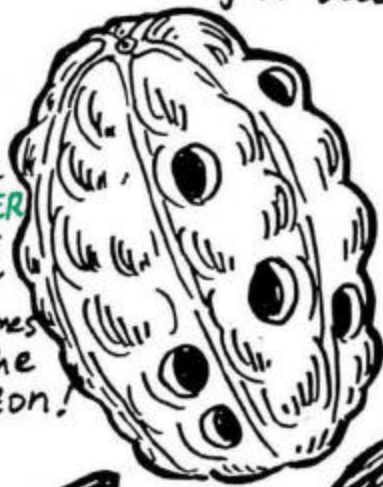

The **SEA HEART** is **MAROON** in color, and has the world's largest seed pod!

The little **NICKERNUT** is light **GRAY** and grows on a bush with thorns on every part!

The **COIN PLANT** is shades of **BROWN** and is thin and flat like a quarter!

The **BLISTER POD** is **GRAY** and comes from the Amazon!

The **HAMBURGER BEAN** is usually **BROWN** and **TAN**, and grows on long jungle vines!

The **SEA PURSE** is **ORANGE** and looks like a ladies handbag with a zipper on top!

The **SEA COCONUT** is **BROWN** but fades to **WHITE**, and floats here from the Orinoco River in South America!

the **STARNUT PALM** is **BLACK** and Grows in the tropics!

Color the **RED MANGROVE** **BROWN** and **GREEN**, not red! It grows in coastal swamps!

HEY KIDS!
COLOR THIS PAGE,
THEN TAKE IT TO THE
BEACH TO HELP YOU
IDENTIFY WHAT YOU
FIND THERE!
